

## Free and fun technology training sessions for seniors

Digital literacy skills are essential for anyone who wants to actively engage with family and friends across the country and the world.

Join one of our small, friendly group training sessions supported by local library staff where you can learn new skills and take the first step to becoming tech savvy. The training is designed to make it easy for you to safely and confidently get connected and learn at your own pace. Find out how to access all the important information you need and things that you are interested in.

### Learn skills in:

- Email
- Social media
- Internet banking
- Smartphones & tablets
- Online shopping
- Cybersafety

We also have easy to follow educational videos to help you learn more about technology at [telstra.com.au/telstra-seniors](http://telstra.com.au/telstra-seniors)
